How to Prepare for the Online Training

Video & Upload

- **The easiest way to do this is to get another person to film you. The dog needs to be large enough in the frame to see the body language.**
- **You can use a camera by yourself, e.g.. a GoPro and Headset**
- **Your Video should have a minimum resolution of 720p and a maximum of 1080i (HD).**
- **Upload your file to our dropbox, we will send you the link after you register for a straining session.**
- **For your online training session you will get an invitation from Christoph. You need no dedicated software, it will work in your browser.**
- **Please be ready!**
